[I started off making a video review and then i realised I was film all along. Psychopathics is a tv show for the dark internet! Persons give money to see killers and kills and now I have kill and they see me. I go insane. I am now one psychopathics hahahahaha](#)

[. Another game guru game with a very basic "get the gun and escape" mechanic. The graphics are on par with game guru \(not great\) and the textures are just random.](#)

[The game is about 10-15 minutes long](#)

[I give him points for adding voice acting but it's still not worth 2 dollars](#)

[Heres a gameplay video with my reactions to the game.](#)

<https://www.youtube.com/watch?v=zVZ2UqNSjTs>. [Looking, a key, and a very good game.](#)

[Very deep lore, my favorite psychopatic is captain clownsn.](#)

[Top graphics pushing game engine limit](#)

[You think buying this game ? You think alone ? think again !](#)

[Psychopatic : the terrifiy horror game !](#)

[I'm go insane](#)

[Hahaha. This is literally the greatest indie horror game that has ever been made. \u2665\u2665\u2665\u2665\u2665\u2665you not. This is \u2665\u2665\u2665\u2665ing top tier. You will not find better entertainment for \u00a31.69.](#)

[Just remember...](#)

[Dis place is de insane.. Outlast, eat your heart out](#)

Voice acting: 10/10

Graphics: 10/10

Story: 10/10

Level Design: 9.8/10

All in all this best horror game!. The tension. The realism, the PSYCHOPATHICS are the scare!!! 11/10 STILL WAITING FOR A SEQUEL, THE CLIFFHANGER IS UNBEARABLE!. WILL YOU COME ALIVE... OR WILL YOU DEAD???

PSYCHOPATHICS! THE TERRIFY HORROR GAME NOW ON STEAM!. This game changed my life. I loved this game a great indie horror game parody WILL YOU COME ALIVE OR WILL YOU DEAD
