Versus Battle Challenge – Versus Battle Challenge is a special Challenge that every multiplayer player needs to participate to earn more ranking points for the Battle Rankings. Versus Battle Challenges Versus Battle Challenges allow players to participate in “Gang Wars”, Multiplayer online battle by fighting against other players from all over the world for survival. In a Gang Wars match, players take turns to attack other players and they can be killed in a normal Battle or they can capture a base and defend it against all attacks. Each victory earns the team points and you can earn more points by killing other players. You can see the Gang Wars Team Points and your player ranking on the Versus Battle screen in the Match Information. Versus Social -Versus

Social is a special social network that allows you to meet, chat and play against other users from around the world. Versus Competitive Play -Versus Competitive Play is the high level competitive online game mode where players compete against each other for victory and bragging rights. Players can compete in Team Deathmatch, Capture the Flag or Battle Royale. Versus

Deathmatch -Versus Deathmatch is the classic Deathmatch game where players have to fight against each other until the last player remains. It is possible for the last player to regain the advantage if he/she captures the flag that will be dropped in the game area. Versus Team Deathmatch -Versus Team Deathmatch is the battle between the two teams with the ability to respawn

until the last player of the team is killed or the last team captures the flag. Each team has a flag and each team member has a special player weapon. The team that captures the flag and holds it to the end of the game wins. Versus Capture the Flag -Versus Capture the Flag is the team versus team game in which players have to capture the enemy flag and return it to the team base.
